Tourists should refer to the travel advice posted by the Foreign and Commonwealth Office at <http://www.fco.gov.uk/> for all the countries you intend to visit. It is your responsibility to ensure that you have arranged the necessary vaccinations, including the COVID vaccine, for your itinerary.

Inability to Travel:

If you are presenting any symptoms of COVID-19 prior to your tour, or if you have tested positive for COVID-19 within 14 days of travel, in line with government advice you must remain at home and should not travel. Please inform us via email at info@amsaantours.com if this is the case.

2. We can accommodate vegetarians, but please let us know when you book and tell your tour leader at the beginning of the tour. Be mindful that vegetarian meals in many places globally mean meals without meat or fish and might be different from what you're accustomed to.
3. We can meet specific religious dietary needs with the vegetarian option. Meals that aren't included are your responsibility and give you a chance to explore local foods.

11. Cancellations and Changes

11.1. Changes by Us

If Amsaan UK makes a change to your booking, we will inform you as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements from us or cancelling your booked arrangements in line with our standard booking terms. In some exceptional cases, we may change your accommodation to that of a lower star rating. In these cases, we will contact you directly and offer compensation as appropriate.

11.2. Cancellation by Us

We reserve the right to cancel departures if the number of clients wishing to travel is less than required for the tour to run. If for any reason it is found necessary to do so, we will offer the following options: a) offer to transfer the tour for other dates with offset of the tour price actually paid by you towards the payment of such a tour; or b) full refund of the tour price paid by you.

11.3. Cancellation by You

All initial deposits paid to Amsaan UK at the time of booking are non-refundable. To cancel an order, Amsaan UK requires written acknowledgement from you (the person who has booked the tour), and no further action will be taken until this is provided. Please find below our cancellation terms for all bookings: a) Cancellations made less than 40 days prior to tour departure for the "Standard tours" type: 0% of the total tour price will be refunded. b) Cancellations made less than 70 days prior to tour departure for the "Tours for the New Year and Christmas period" and "Tours for Children Holidays period" type: 0% of the total tour price will be refunded. Amsaan UK reserves the right to offer a refund for cancellations made less than 40/70 days prior to departure in exceptional cases on a discretionary basis. In these cases, such as cancellations due to ill health, guests must provide proof of their cancellation reason, for example, a signed doctor's note confirming inability to travel. If your remaining balance is not paid on or before the due date, we reserve the right to treat your booking as cancelled, and you will be charged as per our cancellation charges in the table above.

11.4. Changes by You

If you are already participating in an Amsaan UK tour and voluntarily decide to leave the tour early due to reasons outside of our control, Amsaan UK will not be responsible for providing a refund or compensation for any costs incurred on your part. If you wish to change or amend any part of your booking after you have received your booking confirmation, you

must inform us as soon as possible. Where we can meet the requests, all changes will be subject to payment of an administration fee of £50 per person per change, and any applicable rate changes or extra costs incurred by Amsaan UK and any costs imposed by any of our suppliers.

Where we are unable to assist you and you do not wish to proceed with the original booking, we will treat this as a Cancellation by You. A cancellation fee may be payable.

11.5. Changes After Payment and Within Two Weeks of Travel

Once full payment has been made for an Individual Package, the package is considered confirmed and agreed upon, and no refunds will be issued. Changes to your booking cannot be made once payment has been received, except in exceptional circumstances, such as significant issues with the services provided. In such cases, documentation or proof of the issue may be required, and any compensation or changes will be considered on a case-by-case basis.

If you wish to make changes to your booking after arrival in the destination, Amsaan UK will make every reasonable effort to accommodate your requests, but please note that changes cannot always be guaranteed due to availability and logistical constraints. Any requests for changes after arrival will be subject to availability and may incur additional costs, including changes to accommodation, transport, or activities.

Additionally, for any changes or cancellations requested within 14 days of the scheduled travel date, no refunds will be issued, and changes will not be possible. If you wish to cancel or amend your booking within this period, the cancellation terms outlined in section 11.3 will apply, and a cancellation fee may be payable.

11.5 How Changes Affect Flights booked by You

Please note that in the event of changes to the dates of your package holiday either by Amsaan UK or by You, we recognize the potential impact on independently booked flights. While our primary responsibility remains with the package components we provide, we may offer assistance with flight-related costs on a case-by-case basis. Any such assistance will be determined based on the specific circumstances of the change and its impact on your travel plans. Our assistance with flight-related expenses is not guaranteed and is subject to evaluation. We encourage customers to communicate with us promptly regarding any changes to their travel dates and flight bookings. While we strive to accommodate our customers to the best of our ability, it is essential to understand that assistance with flight adjustments may not always be feasible or provided. Additionally, while our travel insurance covers aspects such as lost documents and medical emergencies, it may not fully cover all potential expenses related to flight changes or cancellations. Therefore, we strongly advise

customers to obtain comprehensive travel insurance from a reputable provider to cover unforeseen changes in travel plans, including flight adjustments. This ensures additional protection and peace of mind in situations where assistance may not be available from Amsaan Accessible Tours.

11.6. Transfer of Booking

If you are prevented from travelling, you may be able to transfer your place to someone else (introduced by you and satisfying all the conditions applicable to arrangements) provided:

- a) you contact us as soon as possible and provide us with the name of the replacement passengers and who they will be replacing from the original booking. We can only transfer customers up to 70 days before departure, subject to availability;
- b) you pay an amendment fee of £50 per person transferring, meet all costs and charges incurred by us and/or incurred or imposed by any of our suppliers;
- c) the transferee agrees to these Booking Conditions and all other terms of the contract between us. If there are any payments outstanding for the applicable booking when the transfer is requested these must also be paid before the transfer can be made.

Important Note - Changes Beyond Our Control:

Compensation will not apply if a significant change is made for reasons beyond our control. These include: war, threat of war, riots, civil disturbances, terrorist activity, industrial disputes, natural and nuclear disasters, fire, epidemics, health risks, changes due to cancellation by a supplier, closed or congested airports or ports, hurricanes and other actual or potential severe weather conditions, and any other similar event.

In the event that any of the above situations occur and your trip cannot proceed as a result, you will be issued with a travel credit for the full value of your trip to be used on a future date.

12. Compliance with the UK Package Travel and Linked Travel Arrangements Regulations 2018

Amsaan UK (as an Organiser) respects and follows your rights (as a Traveller) regarding the tour (package) under the UK Package Travel and Linked Travel Arrangements Regulations 2018, which include the following:

- f) Travellers may terminate the contract without paying any termination fee and get a full refund of any payments if any of the essential elements of the package, other than the price, are changed significantly by the organiser without any prior notification to the traveller according to these Terms and Conditions;
- g) Travellers may terminate the contract without paying any termination fee before the start of the package in the event of exceptional circumstances, for instance, if there are serious security problems at the destination which are likely to affect the package;
- h) Travellers may, before the start of the package, terminate the contract in return for an appropriate and justifiable termination fee according to the cancellation procedure prescribed by these Terms and Conditions;
- i) If, after the start of the package, significant elements of the package cannot be provided as agreed, suitable alternative arrangements will have to be offered to the traveller at no extra cost. Travellers may terminate the contract without paying any termination fee, where services are not performed in accordance with the contract;
- j) Travellers are also entitled to a price reduction or compensation for damages or both where the travel services are not performed or are improperly performed;
- k) The organiser has to provide assistance if the traveller is in difficulty;
- l) If the organiser becomes insolvent, payments will be refunded. If the organiser or, where applicable, the retailer becomes insolvent after the start of the package and if transport is included in the package, repatriation of the travellers is secured.
